Takat Al Jnob for Oil Services Ltd (TAKAT),

TAKAT ALJNOB

For Oil Services and Logistics

As a Managing Director of Takat Al Jnob for Oil Services Ltd , I firmly believe that if we can achieve a place in the heart and mind of our customers as a provider of total solutions for oil and gas services that suit every need, the possibilities for the growth of TAKAT will be unlimited no matter how challenging the environment.

We proudly announce that TAKAT has specialized in oil and gas services for more than 5 years. I proudly announced that the same principles and strong values upon which our company was founded are still practiced daily. They are the core of our continued achievements and growth. Quality is the foundation of Takat past and future.

Our goal has always been to deliver efficient, cost effective, and high quality service. We accomplish this through empowering our team, by constantly seeking to improve our knowledge base and experience, and by expanding our thinking and resources as the world economy, community and technology evolve.

I would like to take this opportunity to pledge that I and the Takat team will endeavour to devote our full efforts to exceed our customer's expectation and fully satisfy their needs and requirements.
